## NPSOT Chapters

When you join the Native Plant Society of Texas, you join a statewide organization with over 2,000 members. Most members also choose to join one of our 29 chapters, at no additional cost. These chapters provide educational programs and activities on native Texas plants and related topics that are specific to their area of the state.

We encourage you to join a chapter. When you do, a portion of your membership dues is sent to the chapter to help pay for chapter expenses.

If there is not a chapter near you, or if for any reason you do not wish to join a chapter, you may choose to be a Member-at-Large. All members receive the quarterly state newsletter, the *NPSOT News*.

Please indicate your selection on the membership application - either Member-at-Large or one of these 29 chapters:
