COVID-19 Policies as of May 1, 2021

as approved by the State Board

1. Chapters must follow current CDC guidelines or set their own stricter policies for meetings, demo garden work, plant sales, field trips or any NPSOT activity.

2. Chapters are responsible for knowing and following the current CDC guidelines and any special applications to their communities by local health departments and/or government.

3. CDC links to consult on a regular basis:
