Questions
Our Speaker
Denny is originally from Ohio, land of the Buckeyes

Denny learned landscaping, gardening and the love of trees from his grandfather over 50 years ago

After returning home from the Navy he joined the Men’s garden club and really started learning from “the old timers”

Denny worked with his best friend who owns a landscaping company planting and planning landscapes

Denny received his Bachelor of Science degree from Bowling Green State University

Also took botany and chemistry at Findlay University

While working in the semiconductor field for over twenty years he had the opportunity to do gardening in Ohio, Texas, Arizona and Oklahoma

Denny has been a member of International Society of Arboraculture in Texas since 2012

Certified Arborist since 2013

Certified Oak Wilt Training and Tree Risk Assessment

Attended Lone Star Tree Appraisal Work Shop and Completed City of Austin Grow Green Program in 2017

Denny has given presentations talking about trees to:

• Round Rock Garden Club
• Leander/Cedar Park Garden Club
• Williamson County Bee Keepers Association
• Williamson County Master Gardeners
