Point of Contact

Peggy Bailey

- Successful day at the Pollinator Garden, go by and see all the hard work!
- The Texas Baptist Children’s home is looking for help expanding a garden and is looking for someone to offer advice on plants and planting procedures. Also, if you have volunteers in your yard, dig ‘em up and share! They are trying to fill a 12’ x 10’ space anchored by a mature crepe myrtle

Tonight’s guest speaker is...

Randy Pensabene

Randy Pensabene manages the NPSOT-Williamson County spring and fall plant sales at the WFC plant sales. She helped in the development of the Native Landscaping Certification Program (NLCP) classes and enjoys teaching others about Texas native plants and their many unique characteristics and beneficial significance in nature.
